### Perry Johnson Registrars, Inc. Achieves BA 9000 Accreditation

**Troy, MI July 9, 2014 — Perry Johnson Registrars, Inc. is pleased to announce that it has achieved BA 9000 accreditation through the ANAB.**

*BA 9000: National Institute of Justice Body Armor Quality Management System Requirements* (“BA 9000”) is intended to be implemented and applied in conjunction with ISO 9001 with respect to processes for constructing/assembling body armor of manufacturers of ballistic-resistant body armor that supply members of the federal, state, tribal and local law enforcement and corrections community. BA 9000 incorporates the requirements of ISO 9001.

The standard was developed by the National Institute of Justice. The National Institute of Justice (NIJ), a component of the Office of Justice Programs, is the research, development, and evaluation agency of the U.S. Department of Justice and is dedicated to researching crime control and criminal justice issues. NIJ also develops standards and test methods for law enforcement and corrections equipment, including body armor, and operates the voluntary NIJ Ballistic Body Armor Compliance Testing Program.

#### **About Perry Johnson Registrars, Inc.**

Perry Johnson Registrars, Inc. is dedicated to differentiating itself as an effective provider of certification services, as well as ensuring that we create value for our customers, industry stakeholders, and employees. PJR understands the importance of impartiality in carrying out its management system certification activities, manages conflict of interest, and ensures the objectivity of its management certification activities.
